

## MULTIFUNCTIONAL COMPOUNDS

### MULTIFUNCTIONAL COMPOUNDS FOR THE PLASTIC INDUSTRY

#### PP Compounds & Thermoplastic Polyolefin (TPO's)

##### AUTOMOTIVE INTERIORS:

Cockpit Assembly, Instrument Panel, Console, Steering Wheel, AC Vents Interior Trims, Door Trims, Pillars, Magazine Pockets, Scuff Plates, Grab Handles, Seat Backs

##### AUTOMOTIVE EXTERIORS:

Bumpers, Side Cladding, Body Side Moldings, Mirror Housing, Spare Wheel Cover

##### AUTOMOTIVE BODY PANELS:

Front Panel, Fenders, Wheel Arch Liners

##### GLASS FILLED POLYPROPYLENE COMPOUNDS:

Front End Module, Door Modules, Radiator Fan Assembly, Bumper Beam, Tail Gate, Trim Inner

##### NYLON 6, 66 COMPOUND WITH GLASS FIBER:

Nylon 6 & Nylon 66 Resin Typically Is Used In Demanding Application In Automotive, Furniture, Domestic Application & Construction Industry.

## NIKKON POLYMERS INDIA PVT. LTD.

**Add. :** Near Tata Dlt, Ground Floor, Gat No 959, Opposite Volkswagen, Talawade Chakan Road, Nighoje, Chakan, Pune, Maharashtra, 410501

**Mob. :** 8956177841, 8956177842, 8956177843 **Email :** sale@nikkonpolymers.com, account@nikkonpolymers.com

**Web. :** www.nikkonpolymers.com

*Innovative Thinking  
in Plastic Industry*

## ABOUT US

We are pleased to introduce ourselves as Polymer Compounds & Polymer Solution provider to Polymer Industries with +20 Years of Manufacturing Experience.

NPPL is strongly dedicated on recent technological advancements & R&D activities that allow being the Cutting Edge of technological breakthrough & emerging those to unique requirements of Automotive, Electrical & Electronics & White Goods Industries.

### PRODUCT PORTFOLIO AND APPLICATIONS:

NPPL has developed commercialized material formulations along with different color formulations well suited for wide variety process technology for Injection Molding, Blow Molding, Extrusion. We produce large range of polyolefin compounds and engineering polymer compounds suitable for all major Automotive Interior, Exterior, Under Hood, House Hold and Agricultural product.

### QUALITY ASSURANCE

NPPL to provide customer complete satisfaction by developing high quality product offering distinct value that meet or exceed requirements of our valued customer, along with dedicated & timely technical service & support.

## TESTING EQUIPMENTS

- UNIVERSAL TESTING MACHINE
- IZOD / CHARPY IMPACT
- MELT FLOW INDEX
- MUFFLE FURNACE
- NOTCH CUTTER
- COLOR SPECTROPHOTOMETER
- HOT AIR OWEN
- DENSITY KIT
- COLOR BOOTH
- ODOUR TESTING
- INJECTION MOLDING MACHINE
- ASTM/ISO MOLD

*Our Team Uses The Latest World Class Equipments To Ensure Finest Quality.*

### WHY NIKKON?

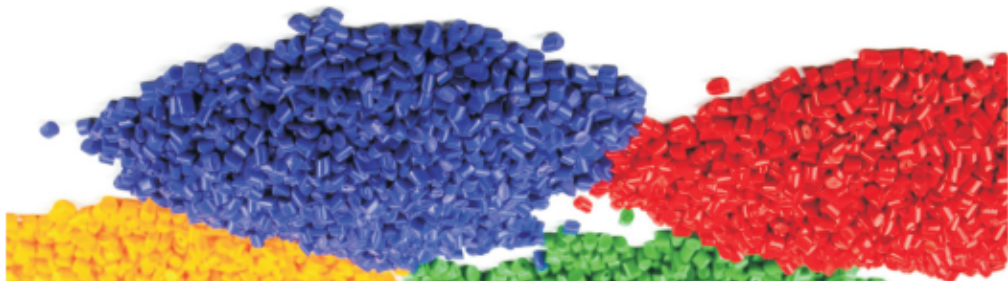

We provide "one stop solution" for your every compounding need. Also varied color range for selection as per customer requirement.

### CUSTOMER SATISFACTION

Our team ensures total customer satisfaction by delivering high quality product. Also cost effective with consistency in product quality & splendid technical support.

### QUALITY MANAGEMENT

We have strong quality management system to monitor & ensure quality process. We have world's best technology for production & quality testing equipments.
